# The Ruby Project: Section 2 Assignment

Instructions:

Please submit your assignment on or before August 23, 6pm Manila Time. Expected deliverables are: 1) source code; and, 2) screenshot of your sample run. This assignment is worth 20 points.

1) Create a ruby program that asks the user to input an occupation, a verb ending in 'ed', an adjective, and a body part. Printout the answers before exiting the program.

   Sample Run:

```
→  therubyproject ruby assignment1.rb
Hello There!
Occupation:
programmer
Verb ending in 'ed':
pulled
Adjective:
pretty
And last, body part
hand
-----
programmer
pulled
pretty
hand
→  therubyproject ▮
```
